## Scholarship opportunity for admission to Sandford International School.

The Governing Board and Management of Sandford International School are delighted to announce that scholarship places have been made available for the 2024/25 academic year.

### Places to be offered

Places will be available for students entering our Year 7 cohort in August 2024.

### Guidelines and procedures

1. This scholarship opportunity is granted to Ethiopian nationals who are currently attending their 6<sup>th</sup> grade classes in one of the government schools in Addis Ababa.
2. The award is only available to students who can fulfill the requirements and criteria that are set by Sandford International School.
3. The maximum number of scholarship places available will not exceed twenty per year.
4. If any student wishes to be considered for a place, they must be nominated by their current school.
5. Students nominated by their school:
  - a) must achieve a high score in the Year 6 National examination.
  - b) will sit an entrance examination in English, maths and complete a Cognitive Ability Test (CAT4).
  - c) must have excellent records of behavior, attendance and punctuality.
  - d) will be able to demonstrate a consistently high level of performance at their previous school.
  - e) will have a positive attitude to self improvement.
  - f) be in the age range of eleven to thirteen upon entry into the school.

All government school's will be notified of this opportunity.

Government school administrators will nominate students to the scholarship committee of Sandford International School. Applications can be sent prior to the announcement of the national examination results. The school scholarship committee will seek clarification in due course.
